Dear Dr. Mazaheri:

Mark and I would just like to take a moment to tell you how much we have enjoyed being patients of Exceptional Dentistry.

Over the years, moving from state to state, we have visited quite a few dentists, but none have given us the personal attention and care that you and your staff have.

Your interest in each individual patient and the time you take to explain the benefits of each procedure is outstanding and make us feel like not only are we getting valuable advice from a professional but also from a friend.

After many years of grumbling to go to any dentist, we now actually look forward to our check-ups!

We are both so happy with our bright, healthy smiles that you helped us achieve painlessly and just wanted you to know how grateful we are.

We wish you continued success in your growing practice as we continue to recommend you to everyone we know.

Thanks again,

A handwritten signature in cursive script that reads "Mark & Vicki Delp".
